EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Maria Kourtakis on 7/23/07.

The application has been amended as follows:

In the specification:

On page 1, after the title and before the background of the invention section the following sentence has been inserted - - This application is a continuation-in-part of application 09/251,082, filed 2/16/1999, which is now abandoned. - -

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

With regard to claim 1 the prior art, specifically Harrison, Barnes and Kotani, fails to teach or suggest applicant's recited polymeric rigid container comprising a second coating layer adhered to said first coating layer which comprises a curable composition comprising a binder component in an organic solvent; wherein the binder component of the second coating layer is selected from the group consisting of: polyester urethanes and acrylo-urethanes having at least two functional hydroxyl groups; hydroxyl functional

linear or branched cycloaliphatic moiety-containing reactive oligomers or a blend of such oligomers; and aliphatic or aromatic isocyanates having at least two functional isocyanate groups where the ratio of isocyanate to hydroxyl functionality is from 0.5 to 3.0, based on equivalents.

Furthermore, Kotani and Barnes are not combinable because Barnes is directed to substrates for the aerospace industry while Kotani is directed to terrestrial packaging applications.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
